

## Installation Specifications

At [www.CORONADO.com](http://www.CORONADO.com) product specifications can be downloaded in CSI format.

### Choices Specific to Mountain Strip Stone

- Standard Colors:** Brookside, Chablis, Dakota Brown, Fawn, Four Rivers or Any Custom Color
- Grout Joint Width:** ½" Grout Joint or Drystack
- Grouting Options:** Deep Raked, Drystack or Full Brushed
- Grout Joint Color:** Natural Grey, Natural Off-White or Complementary Color
- Accessories:** Corners, Complementary Tiles, Wall Caps, Post Caps and more. (See Accessories section of binder)

### Special Installation Notes

- Pattern:** Do not install stones vertically. Blend the stone on the wall from several different boxes to ensure proper color and size variation. **See catalog photos for recommended installation pattern.**
- Chalk Lines:** Should be used by installer to ensure a straight and level pattern.
- Vertical Joints:** Should be no higher than 3".
- Horizontal Joints:** Should not exceed 6' to 8'.
- Sealing:** Not required. However, if installed on an exterior exposed to excessive water from runoff or improper drainage, we suggest the product be sealed in that particular area to protect it from staining or spalling during freeze-thaw cycles.
- Freeze-Thaw:** When installing stone in a freeze-thaw environment, extra care should be taken to ensure a full coverage of mortar on the back of each stone, which will prevent water pooling behind the stone after it's been installed.
- Drystack:** A polymer modified mortar should be used for all drystack applications.
- Installation Info:** Download Coronado's latest installation instructions at [www.coronado.com](http://www.coronado.com) for information on mortar and installation recommendations.

### Profile Properties

- Size:** Stone sizes range from 1½" to 3" in height and up to 23" in length (nominal).
- Thickness:** 1¼" to 2"
- Weight:** 7 to 10 lbs. per square foot.
- Packaging:** Available in big boxes (120 sq ft Flats & 80 lft Corners) or Dura-Paks (12.5 sq ft Flats & 9 lft Corners).  
**When purchasing Mountain Strip Stone, coverage is based on installation with tightly-fitted joints.**
