

## Installation Specifications

CSI – 3 Part Spec available at [www.CORONADO.com/ArchitecturalResources](http://www.CORONADO.com/ArchitecturalResources)

## Choices Specific to Appalachian Fieldstone

- Standard Colors:** Mountain Sunset, Grey Quartzite, Birch Grove. Custom colors may be available for an upcharge.
- Grout Joint Width:** Standard ½" Average Grout Joint, ¾" Average Grout Joint or 1" Average Grout Joint
- Grouting Options:** Deep Raked, Full Brushed, Full Smooth Tooled or Rough Brushed
- Grout Joint Color:** Natural Grey, Natural Off-White or Complementary Color
- Accessories:** Complementary accessories are available (See [www.coronado.com/trimaccessories](http://www.coronado.com/trimaccessories))

## Special Installation Notes

- Pattern:** Blend the stone on the wall from several different boxes to ensure proper color and size variation. **See [www.coronado.com](http://www.coronado.com) for photos of recommended installation pattern.**
- Grout Joints:** Regardless of running direction, joints should not exceed more than three stones.
- Sealing:** Not required. However, if installed on an exterior exposed to excessive water from runoff or improper drainage, we suggest the product be sealed in that particular area to protect it from staining or spalling during freeze-thaw cycles.
- Freeze-Thaw:** When installing stone in a freeze-thaw environment, extra care should be taken to ensure a full coverage of mortar on the back of each stone, which will prevent water pooling behind the stone after it has been installed.
- Installation Info:** Download Coronado's latest installation instructions at [www.coronado.com](http://www.coronado.com) for information on mortar and installation recommendations.

## Profile Properties

- Size:** Average stone sizes range from 7" to 9". Corner returns range from 3½" to 10" (nominal).
- Thickness:** 1½" to 2½" (nominal).
- Weight:** 7 to 10 lbs. per square foot.
- Packaging:** Available in Big Boxes (100 sq ft Flats or 100 ln ft Corners) or Dura-Paks (12.5 sq ft Flats or 12.5 ln ft Corners). **When purchasing Appalachian Fieldstone, coverage is based on installation with a ½" joint at the back of the stone.** (Note: Square Footage and Linear Footage quantities may vary per region)

½" Deep Raked Grout Joint
