

## Installation Specifications

CSI – 3 Part Spec available at [www.CORONADO.com/ArchitecturalResources](http://www.CORONADO.com/ArchitecturalResources)

### Choices Specific to Eastern Mountain Ledge®

- Standard Colors:** Chablis, Palmetto Blend, Grey Quartzite, Carmel Mountain, Huron, Provo Canyon Grey, Coastal Brown, Vista Pointe, Chalk, Etowah, Dakota Brown. Custom colors may be available for an upcharge.
- Grout Joint Width:** ½" Grout Joint or Drystack
- Grouting Options:** Deep Raked, Drystack, Full Brushed or Full Tooled
- Grout Joint Color:** Natural Grey, Natural Off-White or Complementary Color
- Accessories:** Complementary accessories are available (See [www.coronado.com/trimaccessories](http://www.coronado.com/trimaccessories))

### Special Installation Notes

- Pattern:** Do not install stones vertically. Blend the stone on the wall from several different boxes to ensure proper color and size variation. **See [www.coronado.com](http://www.coronado.com) for photos of recommended installation pattern.**
- Chalk Lines:** Should be used by installer to ensure a straight and level pattern.
- Vertical Joints:** Should be no higher than 4" to 6" on average.
- Horizontal Joints:** Should not exceed 6' to 8'.
- Sealing:** Not required. However, if installed on an exterior exposed to excessive water from runoff or improper drainage, we suggest the product be sealed in that particular area to protect it from staining or spalling during freeze-thaw cycles.
- Freeze-Thaw:** When installing stone in a freeze-thaw environment, extra care should be taken to ensure a full coverage of mortar on the back of each stone, which will prevent water pooling behind the stone after it has been installed.
- Drystack:** A polymer-modified mortar should be used for all drystack applications.
- Installation Info:** Download Coronado's latest installation instructions at [www.coronado.com](http://www.coronado.com) for information on mortar and installation recommendations.

### Profile Properties

- Size:** Stone sizes range from 1" to 5" in height and up to 22" in length. Corner returns range from 2" to 12" (nominal). Eastern Mountain Ledge® contains a small percentage of panels for a fast and easy installation.
- Thickness:** 1" to 3" (nominal).
- Weight:** 7 to 10 lbs. per square foot.
- Packaging:** Available in Big Boxes (100 sq ft Flats or 100 ln ft Corners) or Dura-Paks (12.5 sq ft Flats or 12.5 ln ft Corners). **When purchasing Eastern Mountain Ledge®, coverage is based on installation with tightly-fitted joints.** (Note: Square Footage and Linear Footage quantities may vary per region)
