

## Installation Specifications

CSI – 3 Part Spec available at [www.CORONADO.com/ArchitecturalResources](http://www.CORONADO.com/ArchitecturalResources)

### Choices Specific to Special Used Brick

- Standard Colors:** Eagle Buff, Rustic Blend, Wolf Grey, Glacier, Bear Creek, Winter Oak. Custom colors may be available for an upcharge.
- Premium Colors:** Iceberg.
- Grout Joint Width:** ½" Grout Joint
- Grouting Options:** Deep Raked, Full Brushed or Full Tooled
- Grout Joint Color:** Natural Grey, Natural Off-White or Complementary Color
- Accessories:** Complementary accessories are available (See [www.coronado.com/trimaccessories](http://www.coronado.com/trimaccessories))

### Special Installation Notes

- Pattern:** Do not install bricks vertically. Blend the bricks on the wall from several different boxes to ensure proper color and size variation. **See [www.coronado.com](http://www.coronado.com) for photos of recommended installation pattern.**
- Chalk Lines:** Should be used by installer to ensure a straight and level pattern.
- Sealing:** Not required. However, if installed on an exterior exposed to excessive water from runoff or improper drainage, we suggest the product be sealed in that particular area to protect it from staining or spalling during freeze-thaw cycles.
- Freeze-Thaw:** When installing stone in a freeze-thaw environment, extra care should be taken to ensure a full coverage of mortar on the back of each stone, which will prevent water pooling behind the stone after it has been installed.
- Installation Info:** Download Coronado's latest installation instructions at [www.coronado.com](http://www.coronado.com) for information on mortar and installation recommendations.

### Profile Properties

- Size:** Brick size is 2½" (±½") in height and 7¾" (±¼") in length. Corner returns are 3½" (±½") for the short return and 7½" (±¼") for the long return. (nominal).
